GO AWAY, 
CORONAVIRUS!

A coloring book for kids and adults about coronavirus
About This Coloring Book

We at Respiratory Health Association (RHA) know that like many adults, children have questions, concerns and fears about the coronavirus. To help address these issues, RHA has created this coloring book that covers some basic topics.

We encourage you to share this with your children and encourage them to join RHA’s Go Away, Coronavirus Coloring Contest.

We will post submissions on our website so that others can enjoy them as well.

To submit a drawing, email info@resphealth.org
You might have heard lots of people talking about the "coronavirus." Coronavirus is a type of virus that make you feel sick.

Some people call me COVID-19!
That’s the name of the sickness I cause.
We’re working TOGETHER across the whole world to beat coronavirus!
We’ll beeee okay!

Most people only get a little bit sick and

GET BETTER QUICKLY
There are things you can do to keep from catching coronavirus and spreading it to others.
Coronavirus can spread from person to person when we breathe. That’s why you might see people wearing masks when they leave home!
Cover your mouth with a tissue or your sleeve when you cough or sneeze.
WASH YOUR HANDS

Use soap and warm water. Wash for at least 20 seconds. Try saying the ABCs while you scrub!
It’s always good to be kind and show people you appreciate them! Color the following pages and share them with people you know.
THANK YOU!
THANK YOU!
