25th Annual Hustle Chicago® Stair Climb
Corporate Climb Division
Sunday, February 27, 2022

Build employee camaraderie while showcasing your company’s commitment to physical wellness, community involvement, and corporate philanthropy. Join us as a corporate team in one of Chicago’s most iconic and visible charity events.

In 2022, the event capacity will be limited to 50% of our traditional climber total. Climbers will be spaced out in waves throughout the day to provide social distancing in the stairwells and common areas as they race up 875 N. Michigan Ave. (formerly John Hancock Center). This February marks the 25th Anniversary to raise funds and awareness for Respiratory Health Association. Participants ascend 94 flights to the finish line in 360Chicago and then celebrate at a post-event party with food, music, and sponsor exhibits at nearby Hilton Suites Chicago Magnificent Mile. Half Climb spots (52 flights) are also available. Please note our COVID-19 event safety precautions here.
