

# WHISKEY *and* Barrel Nite

## ABOUT WHISKEY AND BARREL NITE

Benefiting Respiratory Health Association's education, research, and policy change efforts, Whiskey and Barrel Nite is a full evening of entertainment, including tastings from a selection of 180 whiskeys plus barrel-aged spirits and beers, delicious food, music, a silent auction, raffle and more.

We are pleased to share that RHA is the exclusive charity beneficiary of WBN, and we are delighted with the philanthropic spirit of our partners in staging the event.

## ABOUT RESPIRATORY HEALTH ASSOCIATION

A public health leader in metropolitan Chicago since 1906, today we address asthma, COVID-19, COPD, lung cancer, tobacco control, and air quality through research, education, and advocacy activities.

Proceeds from Whiskey and Barrel Nite support Respiratory Health Association programs, including:

- Fight Asthma Now® and Asthma Management, teaching children and their caregivers skills to manage their asthma.
- Local lung health research projects at respected institutions such as the University of Chicago, Northwestern University, and the University of Illinois at Chicago, among others.
- Respiratory Health Association's COPD initiative offers resources and programs for people living with COPD and their caregivers.

## ABOUT OUR SILENT AUCTION

We aim to raise \$25,000 through the silent auction at Whiskey and Barrel Nite to support Respiratory Health Association's programs.

Our silent auction will feature approximately 50 packages crafted for a professional crowd. In addition, experiential items from local supporters (such as private lessons, behind-the-scenes tours, and in-home services) and gift certificates (minimum value of \$250) are up for auction.

We hope we can count on you to help us reach our goal!

## QUESTIONS?

Please contact  
Jamie Blair at (312) 628-0195 or  
[jblair@resphealth.org](mailto:jblair@resphealth.org).

*Thank you for your consideration.*
